## Orchid Conservation Symposium

**Program** (Subject to change, all times AEST)

Tues 22nd & Wed 23rd **June 2021** 

1	12:30	<b>Dr Ryan Phillips,</b> Senior Lecturer in Ecology, La Trobe University, VIC, Australia	Orchid Conservation from Theory to Practice
	13:05	<b>Dr Jenny Guerin,</b> Seed Research Officer, South Australian Seed Conservation Centre, SA, Australia	Bushfire Recovery Work on South Australia's Threatened Orchids
	13:30	<b>Dr Jenna Wraith,</b> EcoCommons Business/Scientific Analyst and User Support Officer, Griffith University, QLD, Australia	Threats to Orchids in Australia
2021	13:50		break
Day 1 - Tuesday 22nd June	14:05	<b>Professor Rod Peakall</b> , Professor in Evolutionary Biology, The Australian National University, ACT, Australia	KEYNOTE: Connecting Chemistry, pollination and conservation in Australian orchids
	14:45	<b>Mr Richard Dimon,</b> Research Assistant, Royal Botanic Gardens Victoria, VIC, Australia	Using Raspberry Pi Camera Traps for Pollinator Studies on Threatened and Deceptive Orchids
	15:05	<b>Dr Russell Barrett,</b> Systematic Botanist, Royal Botanic Gardens Sydney, NSW, Australia	Orchids on the Edge: Their Diversity and Conservation in the Kimberley Region of North-Western Australia
	15:25		break
	15:40	<b>Professor Celeste Linde,</b> Professor, The Australian National University, ACT, Australia	Mycorrhizal Fungi of Australian Orchids – an Update
	16:15	<b>Dr Myles Menz</b> , Marie Sklodowska-Curie Research Fellow, Max Planck Institute, Germany	Pollination and Conservation of the Glossy-leaved Hammer Orchid <i>Drakaea elastica</i>
	16:40	<b>Dr Amy Hinsley,</b> Senior Research Fellow, University of Oxford, UK	From Flowers to Ice Cream: The Illegal Orchid Trade and its Conservation Implications
	17:05		end
		Dr. Noughka Poitor Contact December Colorates Bound	
	12:30	<b>Dr Noushka Reiter,</b> Senior Research Scientist, Royal Botanic Gardens Victoria, The Australian National University, VIC, Australia	Orchid Rewilding
	12:30 13:05	Botanic Gardens Victoria, The Australian National University,	Orchid Rewilding  Pollination Ecotypes in the Warty Hammer Orchid
1021		Botanic Gardens Victoria, The Australian National University, VIC, Australia  Ms Alyssa Weinstein, PhD Candidate, The Australian	
ne 2021	13:05	Botanic Gardens Victoria, The Australian National University, VIC, Australia  Ms Alyssa Weinstein, PhD Candidate, The Australian National University, ACT, Australia  Mr Len Carrigan, Volunteer, Australian Native Orchids	Pollination Ecotypes in the Warty Hammer Orchid
3rd June 2021	13:05 13:25	Botanic Gardens Victoria, The Australian National University, VIC, Australia  Ms Alyssa Weinstein, PhD Candidate, The Australian National University, ACT, Australia  Mr Len Carrigan, Volunteer, Australian Native Orchids	Pollination Ecotypes in the Warty Hammer Orchid  A Volunteer's Eye View
day 23rd June 2021	13:05 13:25 13:45	Botanic Gardens Victoria, The Australian National University, VIC, Australia  Ms Alyssa Weinstein, PhD Candidate, The Australian National University, ACT, Australia  Mr Len Carrigan, Volunteer, Australian Native Orchids Society, Victoria, VIC, Australia  Dr Gunter Fischer, Head of Flora Conservation, Kadoorie	Pollination Ecotypes in the Warty Hammer Orchid  A Volunteer's Eye View  break
ay	13:05 13:25 13:45 14:00	Botanic Gardens Victoria, The Australian National University, VIC, Australia  Ms Alyssa Weinstein, PhD Candidate, The Australian National University, ACT, Australia  Mr Len Carrigan, Volunteer, Australian Native Orchids Society, Victoria, VIC, Australia  Dr Gunter Fischer, Head of Flora Conservation, Kadoorie Farm and Botanic Garden, Hong Kong  Dr Belinda Davis, Research Scientist, Kings Park Science,	Pollination Ecotypes in the Warty Hammer Orchid  A Volunteer's Eye View  break  Conservation of Asian Orchids
ay	13:05 13:25 13:45 14:00 14:35	Botanic Gardens Victoria, The Australian National University, VIC, Australia  Ms Alyssa Weinstein, PhD Candidate, The Australian National University, ACT, Australia  Mr Len Carrigan, Volunteer, Australian Native Orchids Society, Victoria, VIC, Australia  Dr Gunter Fischer, Head of Flora Conservation, Kadoorie Farm and Botanic Garden, Hong Kong  Dr Belinda Davis, Research Scientist, Kings Park Science, Dept of Biodiversity, Conservation & Attractions, WA, Australia  Dr Bronwyn Ayre, Post-Doctoral Research Fellow, La Trobe	Pollination Ecotypes in the Warty Hammer Orchid  A Volunteer's Eye View  break  Conservation of Asian Orchids  Conservation of WA's Threatened Orchids
2 - Wednesday	13:05 13:25 13:45 14:00 14:35	Botanic Gardens Victoria, The Australian National University, VIC, Australia  Ms Alyssa Weinstein, PhD Candidate, The Australian National University, ACT, Australia  Mr Len Carrigan, Volunteer, Australian Native Orchids Society, Victoria, VIC, Australia  Dr Gunter Fischer, Head of Flora Conservation, Kadoorie Farm and Botanic Garden, Hong Kong  Dr Belinda Davis, Research Scientist, Kings Park Science, Dept of Biodiversity, Conservation & Attractions, WA, Australia  Dr Bronwyn Ayre, Post-Doctoral Research Fellow, La Trobe	Pollination Ecotypes in the Warty Hammer Orchid  A Volunteer's Eye View  break  Conservation of Asian Orchids  Conservation of WA's Threatened Orchids  Conserving Rare Orchids in the Fire Scar
- Wednesday	13:05 13:25 13:45 14:00 14:35 15:00	Botanic Gardens Victoria, The Australian National University, VIC, Australia  Ms Alyssa Weinstein, PhD Candidate, The Australian National University, ACT, Australia  Mr Len Carrigan, Volunteer, Australian Native Orchids Society, Victoria, VIC, Australia  Dr Gunter Fischer, Head of Flora Conservation, Kadoorie Farm and Botanic Garden, Hong Kong  Dr Belinda Davis, Research Scientist, Kings Park Science, Dept of Biodiversity, Conservation & Attractions, WA, Australia  Dr Bronwyn Ayre, Post-Doctoral Research Fellow, La Trobe University, VIC, Australia	Pollination Ecotypes in the Warty Hammer Orchid  A Volunteer's Eye View  break  Conservation of Asian Orchids  Conservation of WA's Threatened Orchids  Conserving Rare Orchids in the Fire Scar  break
2 - Wednesday	13:05 13:25 13:45 14:00 14:35 15:00 15:25	Botanic Gardens Victoria, The Australian National University, VIC, Australia  Ms Alyssa Weinstein, PhD Candidate, The Australian National University, ACT, Australia  Mr Len Carrigan, Volunteer, Australian Native Orchids Society, Victoria, VIC, Australia  Dr Gunter Fischer, Head of Flora Conservation, Kadoorie Farm and Botanic Garden, Hong Kong  Dr Belinda Davis, Research Scientist, Kings Park Science, Dept of Biodiversity, Conservation & Attractions, WA, Australia  Dr Bronwyn Ayre, Post-Doctoral Research Fellow, La Trobe University, VIC, Australia  Mr Marc Freestone, PhD Candidate, Royal Botanic Gardens Victoria, The Australian National University, VIC, Australia  Mr Tobias Hayashi, PhD candidate, The Australian	Pollination Ecotypes in the Warty Hammer Orchid  A Volunteer's Eye View  break  Conservation of Asian Orchids  Conservation of WA's Threatened Orchids  Conserving Rare Orchids in the Fire Scar  break  Prasophyllum Show the Importance of Mycorrhizal Fungi  The Pollination of Pterostylis Orchids by Male Fungus
